

Ken Loveless

Partner, Co-Founder

Founders Circle Capital

Ken Loveless, Co-Founder and Partner, has invested in leading companies such as Anaplan (PLAN), Carbon Black (CBLK), ForeScout (FSCT), Kabam (acq by Netmarble), Looker (acq by GOOG), PillPack (acq by AMZN), Veracode (acq by CA), Workday (WDAY) Xiaomi (1810.HK). He previously spent 15 years at Silicon Valley Bank (SVB), most recently as Managing Director at SVB Capital, working closely with prominent venture firms including Accel, Battery Ventures, Bessemer, NEA and Sequoia and enduring companies such as Android, Facebook, LinkedIn and Zendesk. Ken also led the development of a multivariate predictive model that identified the highest performing venture-backed companies, which became the basis for Founders Circle's investment strategy.
